This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of Madison River Communications, LLC (“Madison River” or the “Company”) for confidential treatment of the Company’s first quarter Service Quality Report for 2008. As recently amended, S.C. Code Ann. Regs. 103-618 (September 28, 2007) requires telephone utilities to provide certain service reports to ORS on a quarterly basis, and S.C. Code Ann. Regs. 103-619 (September 28, 2007) requires telephone utilities to provide certain additional information to ORS on a quarterly basis. As stated in Order No. 2007-807 (November 14, 2007), we consider the quarterly reports and additional information under these regulations to be generically proprietary and confidential. Therefore, Madison River’s request to hold its first quarter Service Quality Report for 2008 as confidential is granted per the terms of Order No. 2007-807
